Mr. Dan Dennis, PE, PLS
President
Dennis Corporation
1800 Huger Street
Columbia, SC 29201

Dear Mr. Dennis,

On behalf of Chester County, I would like to commend you and your staff on the excellent service you provided our County on numerous projects including the Road Improvement Program, Chester County Fire Stations and McClure Street Sidewalks. We are excited to see your vision transform into reality with the improvements being made to Chester County's roadways.

In addition to the construction and engineering expertise you have offered, Dennis Corporation has also provided Chester County with excellent scheduling that has kept our project on time. Your firm has also provided outstanding financial management of our transportation funds which has allowed us to pursue more projects than we originally anticipated.

We appreciate that Dennis Corporation has become an extension of our staff, working closely with our Public Works Department, CTC, County staff and the utility companies within the county. We look forward to continuing the working relationship with you to improve the quality of our county infrastructure.

Sincerely,
