Dear Mr. Pruitt,

The City of Columbia Department of Parks and Recreation would like to commend you and Dennis Corporation for your continuous hard work and excellent service on the many projects you all have worked on to improve the City and its surrounding areas.

Specifically, your work on the Rosewood South Edisto Park, City of Columbia Hyatt Park and City of Columbia Lincoln Park has been exemplary. By providing design, landscaping and construction management services, the new park and neighborhood center at Rosewood South Edisto Park is a highlight in the local community for City of Columbia citizens. Also, your master planning for Hyatt Park is aiding us in trying to secure funding for this project which will include improvements to the 11 acre neighborhood park. We also appreciate your involvement in after-hours neighborhood meetings. This has enabled us to secure community support and a "buy in" from the citizens who will utilize these parks.

Your unparalleled client service, innovative approach and dedication to the improvements to the City of Columbia, has allowed us to continuously meet and exceed the needs of the citizens of the City of Columbia in the areas in which they live and work.

Sincerely,

Damon McDuffie  
Parks Planner/Manager  
Interim Assistant Director for Operations
