Mr. Dennis:

I would like to take this opportunity to thank you for your company's excellent work on Richland County School District One's special inspections. I have worked closely with your company, and your staff has provided excellent inspection services based both on job performance and cost standpoints.

Specifically, Dennis Corporation provided thorough Chapter 1 and Chapter 17 inspections for A.C. Flora High School's new two story auditorium addition and new gym addition. On this project, Dennis Corporation's inspection services were comprehensive and timely.

Thank you again for your excellent work. Richland County School District One appreciates Dennis Corporation's commitment to responsiveness, schedule requirements and professional work. We look forward to continuing to work on future projects together.

Sincerely,

Richard Vaughn
