

L. B. Cannon retires after 38 years of service

Chester Resident Maintenance Engineer L.B. Cannon was honored with a retirement luncheon on Dec. 21.

Cannon began his career in 1965 as summer help in the survey party. District 4 Administrator Stan Bland presented L.B. with an engraved state seal watch and thanked him for his many years of dedicated service. Over 80 present and former SCDOT workers attend the celebration.

District Engineering Administrator Stan Bland, right, presents L.B. Cannon with a plaque for his years of service to SCDOT.
