

Dennis Corporation Sponsors James E. Clyburn Golf Center

Columbia, SC- On August 6, 2007, the City of Columbia Golf Center was dedicated and re-named as the James E. Clyburn Golf Center in honor of Congressman James E. Clyburn. Dennis Corporation was a proud sponsor of the event. Dan Dennis, President of Dennis Corporation, attended the dedication ceremony and luncheon. "The James Clyburn Golf Center is a great addition to the Columbia community. It will open the doors to a new activity that will enable children a positive and safe learning environment. The golf center will help instill respect for others, responsibility, perseverance and integrity in these children. Dennis Corporation is proud to sponsor such a facility," said Mr. Dennis.

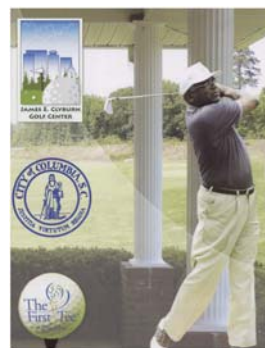

The 11-acre golf center has been designated as a "First Tee" facility. The First Tee initiative is a part of the World Golf Foundation's goal to "impact the lives of young people by providing learning facilities and educational programs that promote character development and life-enhancing values through the game of golf."

Congressman James E. Clyburn provided the concept of the First Tee initiative and sought out the assistance of City of Columbia officials to put it into action. This facility does not only provide a safe area for the youth of the region but also allows the surrounding community to honor the contributions that Congressman Clyburn has made to the City of Columbia, the Midland's region, and the state of South Carolina. Congressman Clyburn was unanimously elected as the South Carolina Majority Whip for the 110th Congress on November 16, 2006. He became the first South Carolinian and the second African American to hold the third ranking position in the United States House of Representatives.

Dennis Corporation is proud to be a sponsor of this facility which will provide a safe learning environment for today's youth to develop and learn values that will enhance their lives now and into the future.
