

Dennis Corporation Opens New Division Office in West Virginia and Welcomes New Columbia Division Manager

Huntington, West Virginia- Dennis Corporation is pleased to announce the opening of a new division office in Huntington, West Virginia. Dr. Andrew Nichols, PhD, P.E., Dennis Corporation's Traffic Division Manager, will lead the new office as West Virginia Division Manager and Senior Traffic Engineer. Dr. Andrew Nichols has been with Dennis Corporation since 2006 having led the traffic division for the Columbia office while also serving as an assistant professor in the Department of Civil and Environmental Engineering at the University of South Carolina. At USC, Dr. Nichols taught courses on transportation engineering and highway design and served as the ITE student chapter advisor.

Dr. Andrew Nichols, PhD, P.E.

Dr. Nichols is returning to his home state of West Virginia where he will serve as Dennis Corporation's first Division Manager outside of South Carolina. He will also be an assistant professor at Marshall University in Huntington, W.V. Dr. Nichols will be conducting research with the Appalachian Transportation Institute, a University Transportation Center located at Marshall University.

Mr. Berry Mattox, EIT

Dennis Corporation is also pleased to announce the addition of Mr. Berry Mattox, EIT as Traffic Engineering Manager for the Columbia office. Mr. Mattox earned his B.S. in Civil Engineering from the Citadel and his Master's degree in Transportation Systems from the Georgia Institute of Technology. While at the Georgia Institute of Technology, Mr. Mattox participated in research with the National Cooperative Highway Research Program. His Master's thesis topic was Design Guidelines for Safe and Aesthetic Roadside Treatments in Urban Areas. Mr. Mattox has also conducted transportation research for the Texas Department of Transportation at the University of Texas at Austin's Center for Transportation Research. Dennis Corporation is excited about the addition of Mr. Mattox to the firm.

Dr. Nichols can be contacted at Dennis Corporation's West Virginia Office at 304-521-2457. Mr. Mattox can be contacted by calling the Columbia Headquarters at 803-252-0991.
