

GRAND OPENING OF ROSEWOOD SOUTH EDISTO PARK

June 27, 2009

Columbia, SC - On June 27, the City of Columbia opened the new Rosewood South Edisto Park and neighborhood center located at the intersection of South Edisto, Wiley and Mitchell Streets in Columbia, South Carolina. The grand opening celebration included music and refreshments, face painting, balloon animals, games and fossil digs.

Dennis Corporation, along with the LPA Group, and Grimball-Cotterill & Associates, provided design and project management services for the park and the new neighborhood center. The park includes a 2,700 square foot heated center building, a parking lot for 10 cars, a playground with components divided by age, two picnic shelters, a water feature, site landscaping and sidewalk, and site security lighting.

Project Manager, Jamie Pruitt, PE, was excited to see the completion of the park. He stated, "Dennis Corporation is proud to have been involved with this successful project that will be such an asset for the City of Columbia and the Rosewood community."

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, construction services, expert witness, intelligent transportation systems, program management, special projects, surveying, traffic engineering and transportation engineering.

Rosewood South Edisto Park includes a community center (top) and a playground with components divided by age (bottom).
