

DENNIS CORPORATION RANKED IN THE SOUTHEAST'S TOP SPECIALTY CONTRACTORS

August 12, 2009

Columbia, SC - *Southeast Construction* magazine has released the 200 Top Specialty Contractors for 2008. The listing was published in the August 2009 edition of *Southeast Construction*. Companies were considered for the annual rankings by their revenue generated from projects in Florida, Georgia, South Carolina or North Carolina.

The article accompanying the list cited that while it was a concern that profits may be lower due to the declining economy in 2008, revenues for the listed companies actually grew by 10% from 2007. The article reports, "The collective revenue total for this year's ranking represents yet another record, growing by more than 10% compared to last year to total approximately \$8.5 billion in 2008 revenues – the most ever for this ranking."

Dennis Corporation had a regional revenue of \$1.68 million for its surveying and special inspections divisions, landing it in the top 200 Specialty Contractors in the Southeast. These revenues also placed Dennis Corporation in the top 40 Specialty Contractors in South Carolina. Special Inspections Manager, Andy Wessinger stated, "We attribute this success to our honest, loyal, and highly certified staff. Additionally, Dennis Corporation's project divisions provide support for each other, working together to offer our clients the highest quality service."

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, construction services, expert witness, intelligent
