

## DENNIS CORPORATION OPENS OFFICE IN JASPER COUNTY

October 19, 2009

**Columbia, SC** - Dennis Corporation is proud to announce the opening of our newest field office located in Jasper County. As one of the fastest growing firms in the State and with over 100 employees, we are proud to continue our growth by adding our fifth office location in South Carolina.

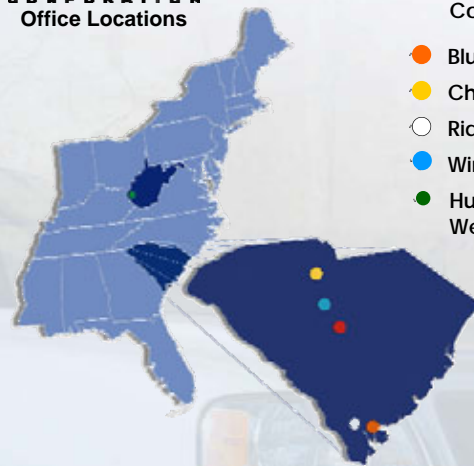

Located at 65 Riverview Drive in Ridgeland, S.C., Dennis Corporation's new field office will provide services to Jasper County. The decision to officially open a Ridgeland Office resulted from several successful relationships in the area which developed out of Dennis Corporation's Bluffton Office in neighboring Beaufort County. Dennis Corporation hopes that opening another office in the area will testify our commitment to serving the Lowcountry.

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, construction services, environmental services, expert witness, intelligent transportation systems, program management, special projects, surveying, traffic engineering, transportation engineering and water resource management.
