

DENNIS CORPORATION PARTICIPATES IN BLYTHEWOOD CHRISTMAS PARADE

December 13, 2009

Columbia, SC - Dennis Corporation participated in the annual Blythewood Christmas parade on December 13, 2009. The parade is usually held the second Sunday of December every year.

The tradition of the Blythewood Christmas parade began in 1995 when Billy and Carolyn Raines wanted a way to thank their community for the continuous support they showed Carolyn when she was diagnosed with lupus. The parade, which started at the fire station on Main Street and ended at the post office, had only 15 people participate.

Today, the parade is funded by sponsors and the Greater Blythewood Chamber of Commerce and their members. Any remaining donations are given to the Chamber's scholarship fund.

Dennis Corporation employees and their families participated in the parade by riding in a Dennis Corporation truck. The truck was adorned with Christmas decorations, including garland and a wreath. Dennis Corporation is proud to support the communities in which it works.

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, construction services, environmental services, expert witness, intelligent transportation systems, program management, special projects, surveying, traffic engineering, transportation engineering and water resources.
