

DENNIS CORPORATION RECEIVES CERTIFICATION FOR TRADEMARKS

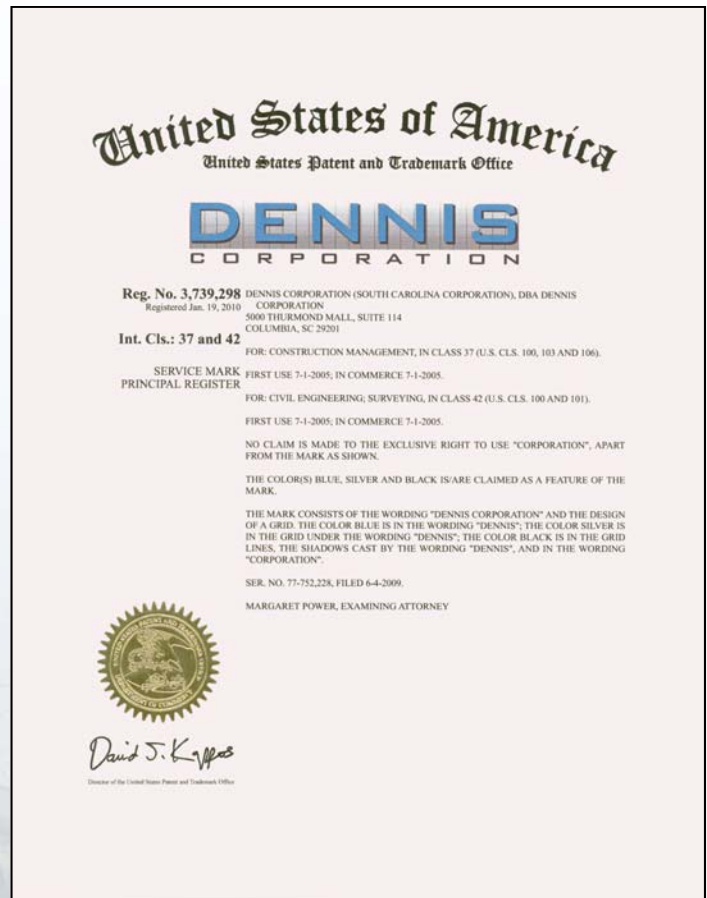

February 8, 2010

Columbia, SC - Recently, Dennis Corporation reached a pivotal step in its professional success and received official certifications for its trademark. On January 19, 2010, Dennis Corporation obtained its trademark (registration number 3739298) from the United States Patent and Trademark Office. This distinguishes the Dennis Corporation logo and name from all others and illustrates Dennis Corporation's dedication and commitment to its industry and clientele.

Trademarks and service marks grant the exclusive rights to the use of a logo or name to an applying company or organization. The rights of exclusivity are granted by the United States Patent and Trademark Office and cannot be abridged by any other party without legal consequence.

Dennis Corporation Marketing Director, Monica Scott was happy to see the realization of the service mark certification come to pass, stating, "The Dennis Corporation name and logo are highly recognizable in the industries in which we work and communities in which we serve each day. It is an epic milestone to have reached the point where we can truly make those rights of ownership our own."

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, construction services, environmental services, expert witness, intelligent transportation systems, program management, special projects, surveying, traffic engineering, transportation engineering and water resources.

Dennis Corporation received its trademark certification on January 19, 2010.
