

DENNIS CORPORATION ASSISTS THE NATIONAL WILD TURKEY FEDERATION

March 30, 2011

COLUMBIA, S.C. – The National Wild Turkey Federation (NWTF) received help from Dennis Corporation for the South Carolina Chapter JAKES Hunt of a Lifetime event held in Ridgeland, SC. The event took place March 18-19.

The NWTF is a non-profit organization concerned with wildlife habitat conservation and wild turkey conservation. They have helped to drastically increase the wild turkey population. All of this is done in order to preserve the heritage of hunting wild turkeys.

The Juniors Acquiring Knowledge, Ethics, and Sportsmanship (JAKES) program, which teaches youth outdoorsmen responsibility and safety, was created by NWTF. The Hunt of a Lifetime event is one of the activities put on by the NWTF as an outreach to youth 12 and younger.

Dennis Corporation was excited to help NWTF as they mentored these JAKES hunters. Dennis Corporation has been a NWTF supporter in the past and is happy to help in the conservation of wildlife and wildlife habitat.

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, environmental services, expert witness services, geotechnical engineering, intelligent transportation systems, program management, special projects, surveying, traffic engineering and transportation engineering.

Six Jakes hunters and chaperones with their game after the Hunt of a Lifetime event.
