

## TRAVIS MILLER NAMED TO DENNIS CORPORATION BOARD OF DIRECTORS

April 4, 2011

**Columbia, SC** - Dennis Corporation is proud to announce that Travis Miller, PE has been named to the Dennis Corporation Board of Directors. Mr. Miller serves as Dennis Corporation's West Virginia Division Manager and Senior Traffic Engineer.

Registered as a Professional Engineer in West Virginia and South Carolina, Mr. Miller joined Dennis Corporation's Traffic Engineering Division in 2010. He is the West Virginia Division Manager and currently oversees all of Dennis Corporation's operations in the state. On his recent appointment to the Board of Directors, Mr. Miller stated, "I am honored to serve Dennis Corporation in this new capacity. I look forward to the opportunity to help lead Dennis Corporation into the future."

Established in October of 2009, Dennis Corporation's Board of Directors jointly oversees the activities of the firm and assists in establishing corporate policies and making management decisions. The Board currently is comprised of Roger Burriss, Beth Fleming, CPA, Frank Hribar, Kelly Tam, Ross Travis, PE, and Dan Dennis, PE, PLS.

Dennis Corporation is a South Carolina licensed civil engineering, surveying and construction management firm. Dennis Corporation's specific fields of expertise include aviation engineering, civil infrastructure, construction management, construction services, environmental services, expert witness, geotechnical engineering, intelligent transportation systems, program management, special projects, surveying, traffic engineering, and transportation engineering.
