

MORGAN “MO” DENNY NAMED CHIEF FINANCIAL OFFICER OF DENNIS CORPORATION

July 11, 2011

Columbia, SC — Dennis Corporation is proud to announce that Mr. Morgan “Mo” Denny has been named Chief Financial Officer for Dennis Corporation. Mr. Denny will oversee the day-to-day operations of the accounting department, including, financial management, accounts receivable, accounts payable, monthly financial statements, payroll, and human resources.

Excited to join Dennis Corporation, Mr. Denny looks forward to moving Dennis Corporation from a very good company to a great company. He stated, “I look forward to working for Dennis Corporation in this capacity. Dennis Corporation’s success over the last six years has been remarkable, and I am pleased to have the opportunity to assist the company with continued financial growth into the future.”

Mr. Denny joins Dennis Corporation with a wealth of relevant experience. Most recently, he served as a Financial Manager at the South Carolina Department of Transportation (SCDOT) where he was involved in all the financial operations and decisions throughout the last 7 years. In addition to his work at SCDOT, Mr. Denny also served as Senior Financial Analyst for Parsons Brinckerhoff, one of the world’s leading planning, engineering, programming, engineering, and construction management organizations. Among his accomplishments was his work with the South Carolina Department of Transportation (SCDOT) where he acted as the primary financial consultant on the Construction and Resource Management (CRM) contract to accelerate road and bridge projects, including the new Copper River Bridge in Charleston, SC. Additionally, Mr. Denny is also retired from the United States Army with 26 years of service. He culminated his career with the Army as the Chief Financial Officer for the Army National Guard where he successfully managed a \$5.5 billion budget to maximize readiness for 2,000 Army Guard units in 54 states and territories.

Mr. Dan Dennis, President of Dennis Corporation, stated, “Now is a very exciting time for Mo to join

Dennis Corporation. Our company has been profitable every year we have been in business, which includes the longest and most severe recession in American history, and we need to continue that success in spite of a persistent soft economy. Through my past experience working with Mo since 1999, I can attest to his strong financial leadership, and I am confident that he will be able to build upon our solid foundation.”

Dennis Corporation is a licensed civil engineering, surveying, and construction management firm. Dennis Corporation’s specific fields of expertise include water, sewer, roads, bridges, buildings, airports and other infrastructure.
