FRANK HRIBAR NAMED VICE PRESIDENT OF DENNIS CORPORATION

August 31, 2011

Columbia, SC — Dennis Corporation is proud to announce that Mr. Frank Hribar has been named Vice President of Dennis Corporation. In addition to his new responsibilities, Mr. Hribar will continue to oversee the Construction Management division's daily activities.

Mr. Hribar has worked in the engineering and construction fields for over 25 years. He has successfully managed a wide range of projects, including roads, bridges, airports, water and sewer service, stormwater and wastewater treatment plants. Mr. Hribar is a member of the Construction Management Association of America and is also involved in several community organizations.

"It is an honor and privilege to be named an officer of Dennis Corporation. I look forward to continuing to be a voice for all employees at Dennis Corporation," said Mr. Hribar.

As Vice President, Mr. Hribar is joining a skilled team of key officers for Dennis Corporation, including Chief Financial Officer Morgan "Mo" Denny, Chief Operating Officer Ross Travis and President Dan Dennis.

"It was an honor to ask Frank to Serve as Vice President. I have known Frank for almost 15 years and consider him first and foremost a friend and secondly a great leader," said Dan Dennis.

Dennis Corporation is a licensed civil engineering, surveying, and construction management firm. Dennis Corporation's specific fields of expertise include water, sewer, roads, bridges, buildings, airports and other infrastructure.
