

DENNIS CORPORATION NAMED TENTH FASTEST GROWING COMPANY IN S.C.

Nov. 18, 2011

Columbia, S.C. - Dennis Corporation is honored to receive the title of Tenth Fastest Growing Company in South Carolina by the South Carolina Chamber of Commerce and The Capital Corporation. The firm received the award during a ceremony held at Wild Dunes Resort on Nov. 10, 2011, in Charleston, S.C.

The honor is Dennis Corporation's third consecutive year on the prestigious list's top 10, making it one of the few firms to be distinguished for the past three years. 2011 also celebrated the programs 10th year recognizing South Carolina's leading companies.

Kally McCormick, Manager of the Environmental division and Dennis Corporation's Charleston-area office, has represented Dennis Corporation at the event for the past three years. "It is an honor to be ranked for several years in a row, and a privilege to continue to work within South Carolina," said Ms. McCormick. "In tough economic times, I'm grateful for the support in our state and excited for the next year."

According to The Capital Corporation, rankings are determined by comparing company information for the previous two fiscal years at the time of nomination. Positions are based on a weighted equation factoring in growth in revenues along with increases in full-time employment.

"It has been a very trying time for many but the real key to economic growth is the entrepreneurial spirit that always fuels the creation of businesses and jobs," said Dan Adams, president and chief executive officer of The Capital Corporation.

More than one dozen cities were represented by this year's list. Sponsors of the event included The Capital Corporation and Dixon Hughes Goodman. Media Sponsors included Greenville

Magazine, Greater Pee Dee Business Journal and Greater Columbia Business Journal.

Dennis Corporation is a licensed civil engineering, surveying, and construction management firm. Dennis Corporation's specific fields of expertise include water, sewer, roads, bridges, buildings, airports and other infrastructure.
