Columbia, SC – Dennis Corporation is proud to announce that Mark Matthews has been named Controller of the firm. In addition to his academic success, Mark was a four year scholarship football player for the TIGERS.

Joining Dennis Corporation full-time after a two year internship in the accounting department, Mr. Matthews will be responsible for invoicing, database management, preparation of financial reports and ensuring compliance with all local, state and federal reporting requirements.

Mr. Matthews is excited about putting his internship training and college education to work. “Dennis Corporation has an extremely hands-on internship program,” said Mr. Matthews. “It is truly a privilege to work in the discipline I actually studied in school.”

The accomplished Benedict graduate also credited his internship program with easing the transition from college to the workplace. “I began interning with Dennis Corporation after my sophomore year of college. The tangible work I was allowed to perform made it easier to enter the professional workplace.”
