Dear Mr. Dennis,

I would like to thank you for the assistance that your firm has provided me during the last year. As the Managing Partner of a local DBE firm, I am grateful of the support Dennis Corporation has offered me in developing my small business in the Charleston area.

From assistance on the Charleston County Roadwise projects, to future teaming opportunities, I value the support you and your firm have provided Atlantic South Consulting Services. I hope that our relationship will continue to develop in the future, and that we will continue to work together on potential projects.

Again, thank you for the opportunities you and your firm have provided Atlantic South Consulting over the past year. Please continue to keep our firm in mind as you pursue future projects.

Sincerely,

Adrian Williams
